

Aerial photography, parcel delivery, spraying crops and patrolling beaches for sharks are some of the ways drones are being used in the world around us now.

HOW WOULD YOU USE A DRONE to make our lives or jobs easier, safer or better?

HOW WOULD YOU USE A DRONE?

SHARE YOUR DESIGN IDEA WITH US AND YOU COULD

WIN YOUR VERY OWN DRONE*

FOR COMING UP WITH THE MOST INNOVATIVE IDEA!

Create a poster to share your idea

IT SHOULD:

- Be hand drawn and use lots of colour
- Describe how it works and who it will benefit
- Use the template on the back of this flyer
- Include your name, school and year.
